- (i) any amount remaining in the Plan after the payments described in (f), (g) and (h) above, to the Designated Educational Institution in Canada designated by the Subscriber or, where such designation has not been made, chosen by the Promoter.

12. DESIGNATED EDUCATIONAL INSTITUTION IN CANADA

The Subscriber shall designate a Designated Education Institution in Canada in the Application or otherwise in a form satisfactory to the Promoter. At any time, the Subscriber may change the Designated Educational Institution in Canada by delivering to the Promoter written notice of such change in a form satisfactory to, and containing the information required by, the Promoter. If more than one such notice has been delivered to the Promoter, the one bearing the latest date will govern.

13. FEES AND CHARGES

Subject to any limitations in the Applicable Grant Legislation, the Promoter and the Trustee shall be entitled to such reasonable fees and charges as may be established from time to time for their services under the Plan and to reimbursement for all costs and disbursements (including all taxes) reasonably incurred in the performance of their duties hereunder including brokerage fees, commissions and other expenses incurred in the making of any investment. The Promoter and the Trustee are entitled to change the amount of such fees or charges in the future, upon reasonable notice to the Subscriber. Unless paid directly to the Promoter and Trustee, all amounts payable pursuant to this section (together with any applicable taxes) shall be charged against, and deducted from, the Assets of the Plan (excluding any Government Grants) in such manner as the Promoter and the Trustee determine and the Promoter may, in its sole discretion, cause the realization of investments held in the Plan, at the Promoter's choosing, for the purpose of paying such fees and other amounts.

The Trustee shall file all information returns and other documents in respect of the Plan as required under the Applicable Tax Legislation and the Applicable Grant Legislation.

15. SELF-DEALING

The Trustee's services are not exclusive and, subject to the limitations otherwise provided in these terms and conditions on the powers of the Trustee, the Trustee may, for any purpose, and is hereby expressly authorized from time to time in its sole discretion to, appoint, employ, invest in, contract or deal with any individual, firm, partnership, association, trust or body corporate, with which it may be directly or indirectly interested or affiliated with, whether on its own account or on the account of another (in a fiduciary capacity or otherwise), and to profit therefrom, without being liable to account therefor and without being in breach of these terms and conditions.

16. REPLACING THE TRUSTEE

The Trustee may resign as trustee of the Plan by providing written notice of such resignation within the notice period agreed upon by the Promoter and the Trustee in writing. Upon receiving notice of resignation from the Trustee, or upon providing notice to the Trustee to resign, the Promoter shall forthwith select a replacement Trustee. If the Promoter fails to nominate a replacement Trustee within 30 days after receipt of the notice of resignation or providing the notice to the Trustee to resign, the Trustee shall be entitled to appoint a replacement Trustee. The resignation of the Trustee will not be effective until the replacement Trustee has been appointed and until notice of the replacement has been provided by the Promoter to the Minister of Employment and Social Development and any other governmental authority which may require such notice.

Upon the appointment of a replacement Trustee, the replacement Trustee shall, without further act or formality, be and become the Trustee hereunder and, without any conveyance or transfer, be vested with the same power, rights, duties and responsibilities as the Trustee and with the Assets of the Plan as if the replacement Trustee had been the original Trustee. The Trustee shall execute and deliver to the replacement Trustee all such conveyances, transfers and further assurances as may be necessary or advisable to give effect to the appointment of the replacement Trustee.

Any replacement Trustee must be a corporation resident in Canada that is licensed or otherwise authorized under the laws of Canada or a province to carry on in Canada the business of offering to the public its services as a trustee.

Any trust company resulting from the merger or amalgamation of the Trustee with one or more trust companies and any trust company that succeeds to substantially all of the trust business of the Trustee will become the replacement Trustee without further act or formality, subject to prior notice being provided to the Minister of Employment and Social Development and any other governmental authority which may require such prior notice.
